Making Travel Matter

Inspiring Journeys is a founding partner of the TreadRight Foundation that works to safeguard the planet, wildlife and people in the places we visit for generations to come. Travel is an incredible gift. It has the ability to open our eyes, our hearts and our minds to the unique cultures and spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it.

By being a foundation member of TreadRight, we work together to have a positive impact on the people and communities we visit, to help protect marine and wildlife, and to care for the planet we all call home. Planet Initiatives

Reducing the environmental impact of our business isn't just a nice-to-have for us, it's at the core of what we do. Together with The Travel Corporation, we've committed to eliminating all single-use plastics in both our offices and out on the road by 2022. And that's just the beginning. In 2017 we introduced our e-docs programme which allows our guests to receive their travel documents digitally, replacing the need for paper whilst also having a tree planted in their name as part of our One Tree Planted initiative. All of this, whilst supporting projects striving to keep our oceans and coastlines clean, are just some of the ways we're committing to safeguarding the future of our planet.

Wildlife Initiatives

The world's wildlife is balancing on a dangerous precipice, so it is our responsibility to help protect some of these species most at risk from extinction. Partnering with leading wildlife organisations, we work to help protect and rehabilitate some of the elephant, rhino and big cat populations around the world, whilst also educating our guests on ethical wildlife experiences.

Rotorua, New Zealand

Kiwi Conservation Programme

We contribute to 'Operation Nest Egg' Kiwi Breeding Programme in Rotorua to hatch and raise chicks, perform health checks and daily monitoring.

Guests get to have a behind the scenes guided tour including the kiwi encounter where you can see the hatchery and the kiwi breeding programme in action.

55% of kiwis hatched nationwide

The hatchery at Rainbow Springs is the largest kiwi conservation hatchery in the world, 76% of all North Island chicks and 55% of chicks hatched nationwide are incubated and hatched at the hatchery and visitors on the 'behind the scenes' tours are given a unique insight into the plight of the kiwi and the work that the team do every day to help save kiwi.

People Initiatives

At TreadRight, we are committed to encouraging the cultures, traditions and arts of the communities we visit to thrive. We seek to enable some of these communities to see true benefit from tourism through economic empowerment. We do this through our support of micro-enterprises, and community based tourism initiatives that builds positive futures for community members and their families.

Australia Zoo Wildlife Warriors

Here in Australia, we've partnered with Australia Zoo Wildlife Warriors, one of the largest and busiest wildlife hospitals in the world!

Their mission is to rescue, rehabilitate and release sick, injured or displaced native wildlife, contributing to research that supports conservation of Australian native fauna.

Thanks to Inspiring Journeys and the TreadRight Foundation, the Australia Zoo Wildlife Hospital has treated over 2,360 koalas since 2014 providing koalas with a much needed lifeline. As Australia's busiest koala hospital, the facility is at the forefront of koala research and conservation.

We've helped support over 2,360 koalas

Despite being one of Australia's most iconic animals, the koala is under severe threat in the wild. Habitat destruction, road accidents, dog attacks and life threatening diseases continue to devastate populations.

Through sponsoring the trauma treatment ward at the Wildlife Hospital, the TreadRight Foundation directly helps up to 13 koalas in recovery at any one time.

With this support, the dedicated team of veterinary staff work tirelessly to provide hundreds of koalas each year with a second chance at life in the wild.

Wukalina walk is the only palawa (Tasmanian Aboriginal people) owned and operated guided hike in Tasmania. The hike provides invitation-only access to a cultural homeland, and to a culture completely unique. The architecturally designed, bespoke standing camp sits deep within a National Park.

If you're not sure what constitutes a traditional palawa dinner, the first night's menu takes care of your curiosity. The traditionally-inspired dinner is followed by a Smoking Ceremony and under a broad night sky, you'll hear the creation story from those who have heard it through earlier generations.

Important Information: This is an active itinerary. No technical climbing skills are required. The hike is graded in degree of difficulty as Easy-Medium. A reasonable amount of fitness is required as you will be walking up to 10 kms per day. Water resistant hiking boots with firm tread soles and ankle support are essential.

General Conditions

These booking conditions represent the entire agreement between the client and AAT Kings Tours Pty. Ltd., who is the tour operator. It will be responsible to the client for supplying the services and accommodation as described in the 20/21 brochure and on our website, except where such services cannot be supplied, or the itinerary used is changed due to delays or other causes of whatever kind or nature beyond the control of Inspiring Journeys. In such circumstances, we will do our best to supply comparable services, accommodation and itineraries, and there shall be no refund in this situation.

Inspiring Journeys and its agents (collectively 'AAT') act only as an agent for the client and upon the express condition that Inspiring Journeys shall not be liable or responsible for any direct, indirect, consequential or incidental damage, injury, loss, accident, delay or irregularity of any kind, which may be occasioned by reason of any act or omission of any third party (including without limitation, any act, inaction or breach of contract of any third party which supplies any goods or services for this trip). Without limiting the foregoing, Inspiring Journeys does not own or operate any third party suppliers (with the exception of Down Under Tours) of services such as hotels, restaurants, transportation companies, sightseeing companies or local tour operators. All such risk, loss and expense must be borne by the client.

Occasionally, it may be necessary to alter or amend itineraries, accommodation and sightseeing arrangements from those published. This may be due to road, weather and other operational needs prevailing at the time, and is always made in the best interests of your comfort. Any personal expenses incurred by a client as a result of any delay, alteration or curtailment of any tour, whether caused by mechanical defect, strikes or any other cause are the responsibility of the client (we strongly recommend all clients take out Travel Insurance, see your licensed travel agent or your Inspiring Journeys direct reservations consultant). The operator is unable to guarantee exact arrival and departure times, and is not liable for any failure to make connections with any other service, or guarantee the operation of any particular service.

Please note that if you arrange for payment through an unaccredited agent, the unaccredited agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us, and the travel agent has no authority, expressed or implied, to receive monies on our behalf. There is no liability on our part, in respect of any monies paid to your travel agent. The company reserves the right to cancel any ticket or booking, or to refuse to carry any client where payment has not been received by the company within the specified time. The company reserves the right to amend or cancel tours at any time.

Before you book

The information presented in the 20/21 brochure and on our website is to the best of our knowledge correct at the time of publication. However, changes beyond our control may have occurred since then with respect to prices, itineraries, duration of holidays, standard of services and tour content. Surcharges may apply. Please check with your travel agent or your Inspiring Journeys direct reservations consultant to ascertain if there are any alterations to the holiday you select before you book. Every effort is made to ensure brochure accuracy at the time of going to press and posting on our website. However Inspiring Journeys cannot be held responsible for printing or typographical errors, or errors arising from unforeseen circumstances.

Departure Guarantee

Occasionally airlines and tour operators are forced to reschedule departure dates. At Inspiring Journeys we appreciate the inconvenience this may cause you. Therefore, we guarantee that no Inspiring Journey will be rescheduled within 45 days of the published departure date.

Prices are quoted in Australian Dollars, include GST and compulsory taxes where applicable and supersede all prices previously advertised. Please check the exact price of your tour at the time of paying balance. Airfares are based on the most direct route and are subject to class availability and any new Government taxes. We reserve the right to validate past booking status. This credit can be gifted to family or friends (confirmation must be submitted to AAT Kings in writing stating the nominated name).

It is your responsibility to update Inspiring Journeys with any changes to your flight schedule to ensure you receive your transfers. Failure to do so may result in missing these services and no refund or compensation will be due for missed transfers resulting from missing or outdated flight information. Airport transfers are subject to timings of the supplier's operating schedule and may not be available for every flight.

If your luggage exceeds this limit, we ask that you make alternative arrangements for the excess to be forwarded to the termination point of your tour. We suggest that you have wheels on your suitcase, as there are certain places where assistance is not available (e.g. railway stations and cruise terminals).

All luggage and personal effects are at all times and in all circumstances at the risk of the tour participant. Luggage insurance is strongly recommended.

Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked baggage, including the first checked bag. Please check with your airline(s) directly for their most current luggage regulations and related fees.
